**TO: ALL WIA YOUTH PROGRAM SERVICE PROVIDERS**

The purpose of this bulletin is to advise all WIA Youth service providers that the following modifications have been made concerning JTPA tracking and funding. **WIA Youth Program Bulletins, numbered YTH-01 and YTH-02, will be superseded in part by this Bulletin as follows:**

- 1) The JTPA budget pages which were attached to Bulletin YTH-02 are no longer required to track JTPA funds for the months of July through September of 2000. *Please see Bulletin YTH00-07 for further instructions.*
- 2) All participants enrolled under the JTPA program are to be grandfathered into WIA effective July 1, 2000 and may continue to receive services under their current JTPA ISS. A twelve (12) month follow up will also be required. The contract Statement of Work must include narrative indicating that these activities will occur, such as "JTPA participants will be grandfathered into WIA as of July 1, 2000 and will continue to receive the services noted on their JTPA ISS."
- 3) Any changes in the services noted in the JTPA ISS means that the participant will have to meet WIA eligibility requirements in order to continue in the program.
- 4) Program costs as of July 1, 2000 for participants enrolled under the JTPA program are to be charged to your WIA program.
